Who can buy Multiflex Dental and how do they purchase?

- Almost anyone can buy Multiflex Dental (availability varies by state)
- Upon purchase and enrollment via brochure or the Web, all new customers become members of the National Small Business Association (NSBA)

Our Classic Plans offer the freedom to use any dentist and have maximum calendar year benefits of \$1500 or \$2000. There is no network required; however, you may recognize significant savings by utilizing Maximum Care™ providers.

The Classic Select plans offer a higher level of benefits if you use Maximum Care™ network providers, but still provide the freedom to see out-of-network dental providers with a lower benefit percentage. These plans also are offered at calendar year maximums of \$1500 or \$2000. Out-of-network benefits will be paid at MAC levels.

The PPO Advantage plan will pay 100% toward these Type I services and will have a \$500 calendar year maximum. This will allow you the opportunity to get cleanings, x-rays and preventative exams at an extremely competitive rate!

The plan designs listed are available to individuals of all ages. There is a \$5 Admin Fee and a \$1 NSBA Fee per policy per month.
